Easy to separate,
easy to clean!

REFRESH!

The ravi decanter allows you to properly aerate your wine and instantly serve it at the perfect temperature (see wine temperature guidelines). This unique 2 in 1 modular design will allow you to replace the neck of the decanter with a ravi instant wine refresher. Then simply pour and the ravi gently refreshes your wine to enhance your drinking pleasure.

Replace the decanter neck
with the ravi* to instantly refresh
your wine.

The ravi* will easily snap
to the included adaptor.

Valve that controls
the temperature.
